

## OPENING and CLOSING eMail Template

Much discussion has been had regarding hidden email addresses versus exposed.

The decision is yours but consider people's privacy versus women like to see who is invited/attending. To that end, Dot and Peg use this for each mail:

The emails in this group have been given in good faith that they will be used ONLY for the purposes of GAPs. Please respect this and do not glean any for personal or business purposes of your own. Thank you.

### YOUR EMAIL CONTENT

*As always, if you would like to be removed from this email list, please simply reply to this email and let me know; no hard feelings.*

GAPs in a Nutshell...It stands for Giving At Potlucks...What is it?

Girls-night-out with a purpose. Your host has chosen a charity, (501c3, secular, non-political, serves your county).

Women get together, share a potluck meal, perhaps have a glass of wine.

For a few minutes, someone speaks about the chosen charity.

Each woman in attendance makes a donation to the chosen charity; donation is at least \$10 (more is welcome).

Repeat. [www.GivingAtPotlucks.org](http://www.GivingAtPotlucks.org)
